

## LINE

ITEM NR.: 101228

The LYNGSAA luminaire *Line* is a combination of modern, stylish design and the latest LED technology.

The luminaire highlights itself with clear clean lines. The elegant design is combined with an extremely low consumption of power and with the option of dimming.

The Line luminaire is waterproof (IP66/67). The luminaire is designed for indoors and outdoors application, even for harsh marine environments.

The luminaire is made of anodised aluminium, making it possible to create a durable, minimalistic design, ensuring a long lasting product. Which serves as a uplight.
